(VIWE) UGANDA LTD  
REPORT JUNE 2024**

**Introduction**

This report contains the detailed activities that were transpired in the month of June 2024.

**Projects Assessment**

There is steady progress in the projects of our beneficiaries for example, those of Kitindya yetana women group and Bushangi Traders women group.

**Loan Recoveries**

The recoveries were successful because all group members paid their monthly instalment as agreed.

**Loan Disbursement**

Further loans were disbursed to Kwa Moyo employees and other individuals.

**Conclusion**

In summary, i on ground and on behalf of our beneficiaries, cannot thank you enough most especially Buch Aktion for their continuous and enormous support towards the growth and sustainability of the PAUTHO organization and to ensure that we meet our set objectives of improving the livelihoods of vulnerable families through giving them soft loans.
