

PAUTHO VISION FOR WOMEN EMPOWERMENT

(VIWE) UGANDA LTD

REPORT FEBRUARY 2025

Introduction

This report gives a summary of the activities that transpired in the month of February, 2025.

Activities

Monitoring

In February, we monitored most of the groups and individual members who gets loans with us, on the projects they are carrying out are progressing. For example kitindya yetana women group are carrying out different businesses like, bricklaying, selling clothes and lumbering.

Loan Recoveries

We would like to report that most of the groups and individual members are complying in making their monthly repayments and others really need pressure behind in order for them to make payments. forexample Baluka prossy Harriet, she is an individual who is giving us total hedec in paying her loan.

Loan Disbursement

Loans were being given to Kwa moyo staff, groups and individual members in the community.

Conclusion

We greatly express our sincere thanks to our dear funders for their continued support towards the sustainability of the organization.
