

## **PAUTHO VISION FOR WOMEN EMPOWERMENT**

**(VIWE) UGANDA LTD**

**REPORT JANUARY 2025.**

### **Introduction;**

This report consists of the general of activities that transpired in the month of January, 2025

### **Projects Assessment and Monitoring**

The new individuals were assessed to find out who had applied for the loans, this was done through looking into the application forms to prove whether they are residents of that particular village as required in the application form, their occupation and how they plan use the money ( loan ) incase given.

### **Loan recoveries**

Most of the recoveries were successful with ease.

### **Loan disbursement**

Loans were only given to Kwa moyo staff, individuals in various communities, PAUTHO staff.

### **Challenges**

- Power shortages at the work place which has been incovienceing.

- Slowing down of the laptop at times which delays the delivery of the work in time.

Some recoveries has not fulfilled so our lawyer has taken this to court

## **Conclusion**

I deeply express our sincerest appreciation to our dear funders for their enormous and tireless support rendered towards the sustainability of the Organization through meeting its set objectives of empowering vulnerable women in the community.
