

PAUTHO VISION FOR WOMEN EMPOWERMENT

(VIWE) UGANDA LTD

REPORT MAY 2025

Introduction

This report consists the general of activities that transpired in the month of May, 2025

Projects Assessment and Monitoring

The new individuals were assessed to find out who had applied for the loans, this was done through looking into the application forms to prove whether are residents of that particular village as required in the application , their occupation and how they plan to use the money .

Loan recoveries

Most of the recoveries were successful

Loan disbursement

It was paid out to Kwa Moyo staff, groups and individual members in the society

Conclusion

We deeply express our sincerest appreciation to our dear funders for their enormous and tireless support rendered towards the sustainability of the Organisation through meeting its set objectives of empowering vulnerable women in the community
